

Susquehanna Heritage Park

Experience America's Heritage & Natural Wonders
Right in Our Own Backyard

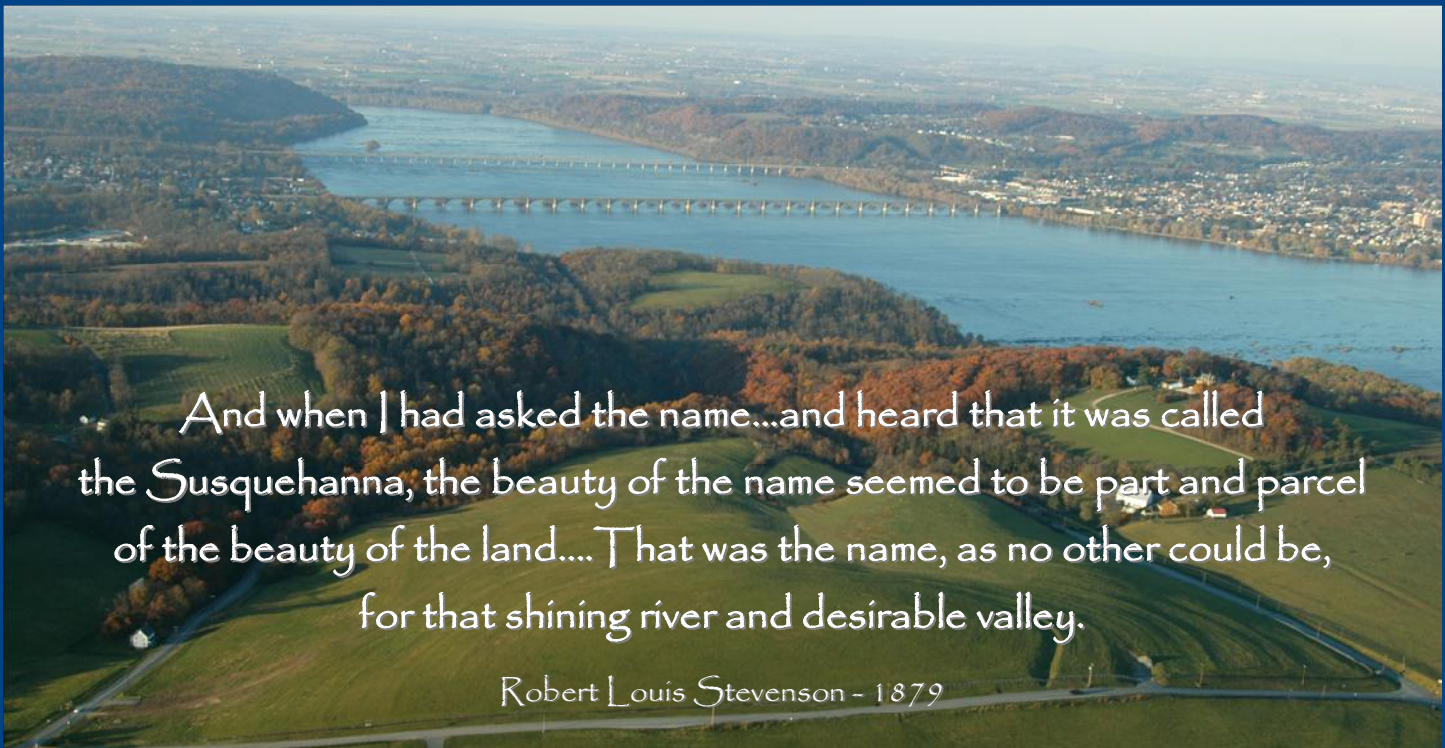

Our region is blessed with the amazing
Susquehanna River Gorge.

A waterway as rich in history as it is in breathtaking scenery, spectacular wildlife and great recreation.

From the earliest Native Peoples, to the American Revolution, to the Civil War and the Industrial Age, so much of our heritage can be traced to the river.

The Susquehanna Heritage Park is a place to share this heritage with residents and visitors, bringing economic benefits to our region from heritage and outdoor tourism.

And when I had asked the name...and heard that it was called the Susquehanna, the beauty of the name seemed to be part and parcel of the beauty of the land.... That was the name, as no other could be, for that shining river and desirable valley.

Robert Louis Stevenson - 1879

Initiatives along the Susquehanna River are sponsored in cooperation with the Pennsylvania Department of Conservation & Natural Resources & other state and local partners.
