

Lower Susquehanna River Greenway

Land Conservation ▪ Outdoor Recreation ▪ History & Heritage

Thank you to the following groups for being part of a collaborative, multi-year planning process involving a diverse coalition of national, state, and local agencies and organizations working together in support of sustainable conservation along the Lower Susquehanna River.

Conservation Society of York County

Department of Conservation and Natural Resources

Farm and Natural Lands Trust of York County

Lancaster County Conservancy

Lancaster County Planning Commission

Lancaster-York Heritage Region

National Park Service

PPL Corporation

Susquehanna River Basin Commission

The Conservation Fund

York County Department of Parks and Recreation

York County Planning Commission

Conservation along the Lower Susquehanna River supports the vision and goals of the Susquehanna Greenway and the Chesapeake Bay Gateways Network.
