The John & Kathryn Zimmerman Center for Heritage

Buy-A-Brick for the Heritage Walk!

Honor your family, friends or company with a permanent gift of a personalized 4x8 inch Heritage Walk brick to support the Zimmerman Center and Susquehanna Heritage.

The Zimmerman Center is an official Visitor Contact Station for the Captain John Smith Chesapeake National Historic Trail. The major public enhancements made to the Zimmerman Center in 2014 that enhanced accessibility certainly contributed to the National Park Service selection of this site.

A key feature of the site is the ADA accessible Heritage Walk leading visitors from the historic home through the Riverview Terrace and to the waterfront.

Purchasing a brick for the Heritage Walk will help Susquehanna Heritage maintain the features of the project and build an endowment for long-term stewardship of the site.
